

**Board Policy**

**Descriptor Code: DCCC**

**Public Involvement in Budget Making**

---

After the local Board has tentatively adopted a budget, such budget must be advertised in form and manner to be prescribed by the local Board, at least one time in a newspaper of general circulation in the local unit of administration. Also the Board will hold three (3) public hearings in order to receive community input. At the next regular meeting of the local Board after advertisement, the local Board shall revise the budget as necessary and adopt a final school budget.
